This summer, band students currently in grades 5-8 have an opportunity to participate in a week of additional band training, learning, and fun. The students will be directed by some of SMSD's best band staff. Classes will be held at Shawnee Mission North. They will get to dig deeper into their instruments learning concepts they don't often get to spend time on during the school year. It is always fun to learn new music, make new friends, and experience music with a group who is highly motivated to learn more about band. The fee for the week-long camp is \$65.
